MEMPHIS.

TUESDAY MORNING, OCTOBER 15.

The Circulation of the DAILY APPEAL is larger than that of

the Duily City Press Combined.

EAST TENNESSEE.

Gen. Wat. H. CARROLL strived from East Tunnesses on day before yesterday, where he has been for the purpose of raising a brigade of valuate or for active service. He brought with him five full companies, which he left in camp at Germantown, and informs as that seven more companies will come on in the course of the

From him we are pleased to learn that the socalled Unionists, though preserving their old pasty projudices to a great extent, have effectugly accommodated all radical differences, and that Parson BROWNLOW, of the Knoxville Whig. even whispers of mistage a regiment for the war.

We have it indeed from a reliable source that the Person has recently written a letter to a gentleman of this city, intiling his esoperation in this provide labor, remarking with characteristic cointness that his friend could do "the drinkfor and earling " for the regiment, while he (Buowwrow) could do the " fighting and pray-"make the connection."

CONSIGNED TO THE CAPULETS.

is an inclination to quietly dispose of every mil- place i or, hader who meets with the slightest disaster, or, indeed, who falls to achieve swift and rapid eleteries. It matters very little what may be the page of failure so that the fact is sufficientle criablished no apology is accepted, and no assarance of better things for the inture can evers the torrible retribution of the guilletime. The detect of a Lincoln general is the esticia prelude to his immediate consignment as the somb of the Capuletz.

Within the last few months on innumerable e mayan of these poor fellows have "gone under" Without giving their friends the least intimation of their subsequent whereabouts. Their crime has been that they failed, by some sort of unexplained are ident, to be born NaPoleons or Han-NIBLES, and have consequently been swept off by the rising side of Yankee intolerance and Constictent into the sea of historical oblivion.

First nineng these victims was poor PIERCE, of Pahel memory, who, in great disregard of America has ceased to be. The Washington Star has the following ac-

Yesterday morning the Reliance came up to the navy yard, bringing particulars of the disvery of the enemy's battery at Freeslone Point, about twenty-five miles below Washing tom. This battery at Freestone Point is a new one, having just been completed, and the brush to mount seven guns, two of which are ritled.

On Tuesday nighta Confederate officer desertd from the rebels and swam to one of the steamers of the Potomac flotilla. He impacted to hem much valuable information in regard to the doings of the rebels along the river, and informed our officers of concented batteries at Freestone Point. Means were immediately taken to silence the batteties. Accordingly, on Thursday he steamers Seminole, Jacob Bell, lee beat, and Valley City opened fire upon the batteries and were answered from the shore. The firing was kept up for some time, when the batteries were ially silonced, withour the loss of a man onour side. The rebel loss is not known. The deserting officer says there is a determination not to allow the Pensacola, now fitting out at our navy yard, to go down the river. The rebels have prepared heavy guns at different places to either disable or sink her.
